

## CHECK-IN FOR A CHECK-UP: NOWHERE ELSE BUT MONTREUX

Being out of shape and overweight, overwork, pollution, and early aging are only some of the factors that can undermine your love of life.

THE BIOTONUS BON PORT CLINIC can help you get back your natural equilibrium.

After an in-depth two-day check-up our medical specialists will recommend the best treatment method for you.

The BIOTONUS BON PORT CLINIC is:

- World leader in fighting stress and relieving depression
- Specialist in weight problems
- At the forefront in cardiac rehabilitation and functional reeducation
- The only establishment that offers a scientific approach to Revitalization

Detailed documentation available on request.
